Dear Kay -

Oh so glad you came to see  
this year. We met the first day of  
Rebelite Practice - and I thought you were  
daring from the first - this hasn't changed

through these last months?

Kay, you have one of the  
cutest personalities - and "bestest" figures at  
R.C.V. - Oh how precious! But, the  
thing I admire most about you is your  
sense of loyalty to your friends.  
Everyone knows when they have Kay  
Hiles for a friend - they have a heck of  
a friend! One who will stick by them at  
all cost!!

Next year we're really going to  
raise some ---- at here. They'll know we're  
seniors!!

Kay - you have a wonderful  
mother! I love her to death!

She is the sweetest

woman alive, I do believe!

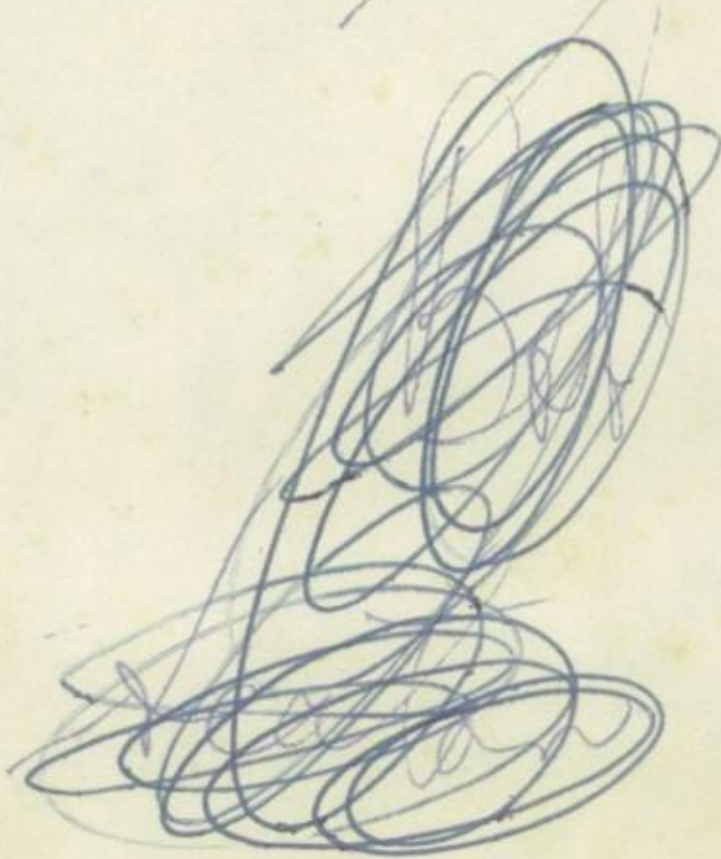

Also - you so lucky to be going  
with Frank Wayne! He's the greatest  
ever!!

God Bless you -  
and keep shopping!

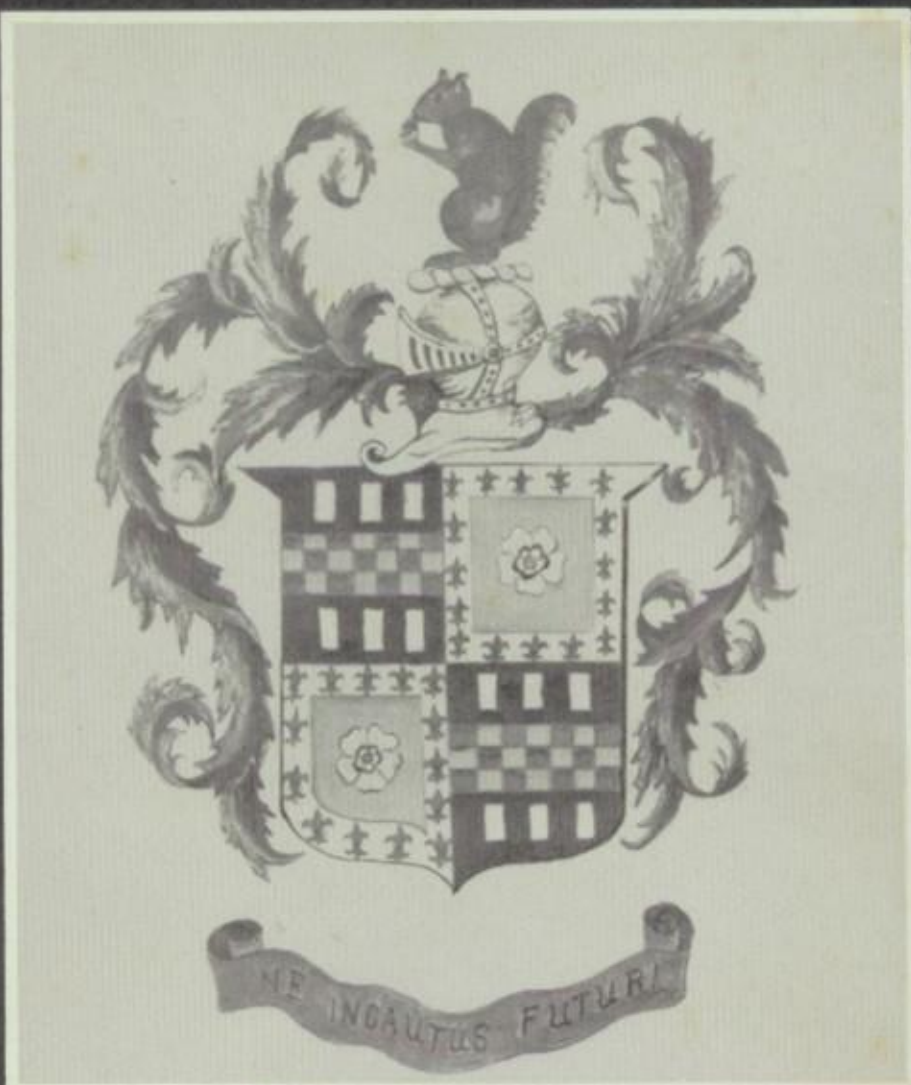

Love ya!

## *And we recall . . .*

*The games were fun, the laughs were many, the friends were numerous, and the life was great this year of 1960-61. But now the year is over and only the memories remain.*

*Though many will go their separate ways now and others will return for another "best year" filled with fun, study, and memories, we will all be a part of Lee High, for the victories, defeats, traditions, and challenges we shared have bound us together in the spirit of the Robert E. Lee.*

*May this Legend unfold some of those cherishable memories of your days at Lee. The Legend is yours! You made it; you deserve it!*

## *In Memoriam*

The death of the late Hollis A. Moore, August 15, 1960, was a great loss to all who knew him. Dr. Moore served the Tyler Independent School District in the responsible, time-consuming capacity of Superintendent for nine years. Being dedicated to his work, he has done more, perhaps, than any other individual for the development and improvement of schools in and around Tyler. Thousands of students have benefited from his untiring efforts.

He was a man who held the respect and admiration of all his associates; he possessed ceaseless energy and a strong personality which always lent authority to everything he did and said. We at Lee consider ourselves fortunate because he shared his unquestionable talents of educational progress in our behalf. To him goes much of the credit for our great school.

His contributions to better learning techniques have been recognized by Governors of states and by the Federal Government. Through these mediums and by serving on countless advisory educational boards, Dr. Moore also gained national recognition for our school. He was an active and influential man who welcomed new ideas, shared his knowledge, had profound faith in his fellowmen, and readily met the challenge of the future in the name of educational progress.

Therefore, it is with deep respect and humble admiration that we dedicate this book to the memory of the beloved Dr. Hollis A. Moore. He will be sorely missed.

The play reaches a very dramatic climax when Roosevelt stands and walks.

# Rebels Cruise To Big Loop Victory

Rebels beat Lions both games of the season.

Robert E. Lee's fighting Rebels led all the way Friday night to defeat the John Tyler Lions in a 64-59 scrap that was witnessed by probably the largest crowd to ever pack into the downtown John Tyler Gymnasium.

Every corner, nook, and cranny was filled and then several more people were down on the court just outside the lines marking the playing area as the Rebels and Lions hooked up in a classic battle which will be remembered and played over in the minds of the participants for a long time to come.

There were many heroes for the victorious Rebels.

For Lee, the big scoring guns were Gary Shipman, who hit 15, Marc Bailes, who came in with 14, Jack Neill, who hit a timely 13 points, and Charles Bridges, who tallied 11 points and played a tremendous floor game.

Sophomore Charles Buck even got into the act for the Rebels in the second half when fouls sidelined Bailes. The lanky redhead turned into a tiger on the backboards and also picked up seven valuable points while he was in the ball game.

Lee jumped into a quick 3-0 lead on a basket by Bailes and a free throw by Shipman and John Tyler never caught up. The Rebels moved out to a 7-2 lead, widened it to 11-5, and led by 18-10 at the end of the first quarter.

Sam Bell's fired-up Rebels continued to pull away in the second quarter as they built up a commanding 17-point lead at 29-12 midway of the period.

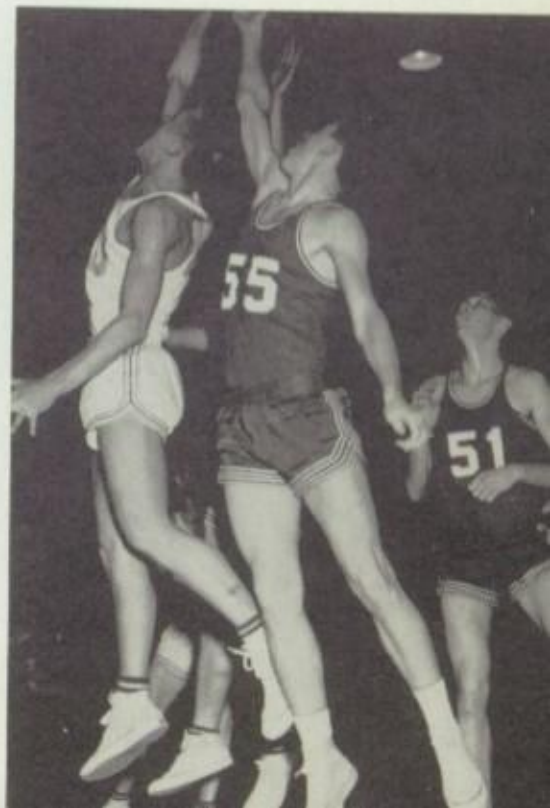

John Tyler managed to cut the Rebel lead to 12 points at half-time 36-24, and then came back to outscore the Lee quint by 22-19 in the third period to make it 55-46 going into the final stanza.

The Lions made a desperate bid for victory midway of the fourth quarter when they cut the Rebel lead to only four points at 57-53 but Lee then capitalized on a rash of John Tyler fouls to pull away again.

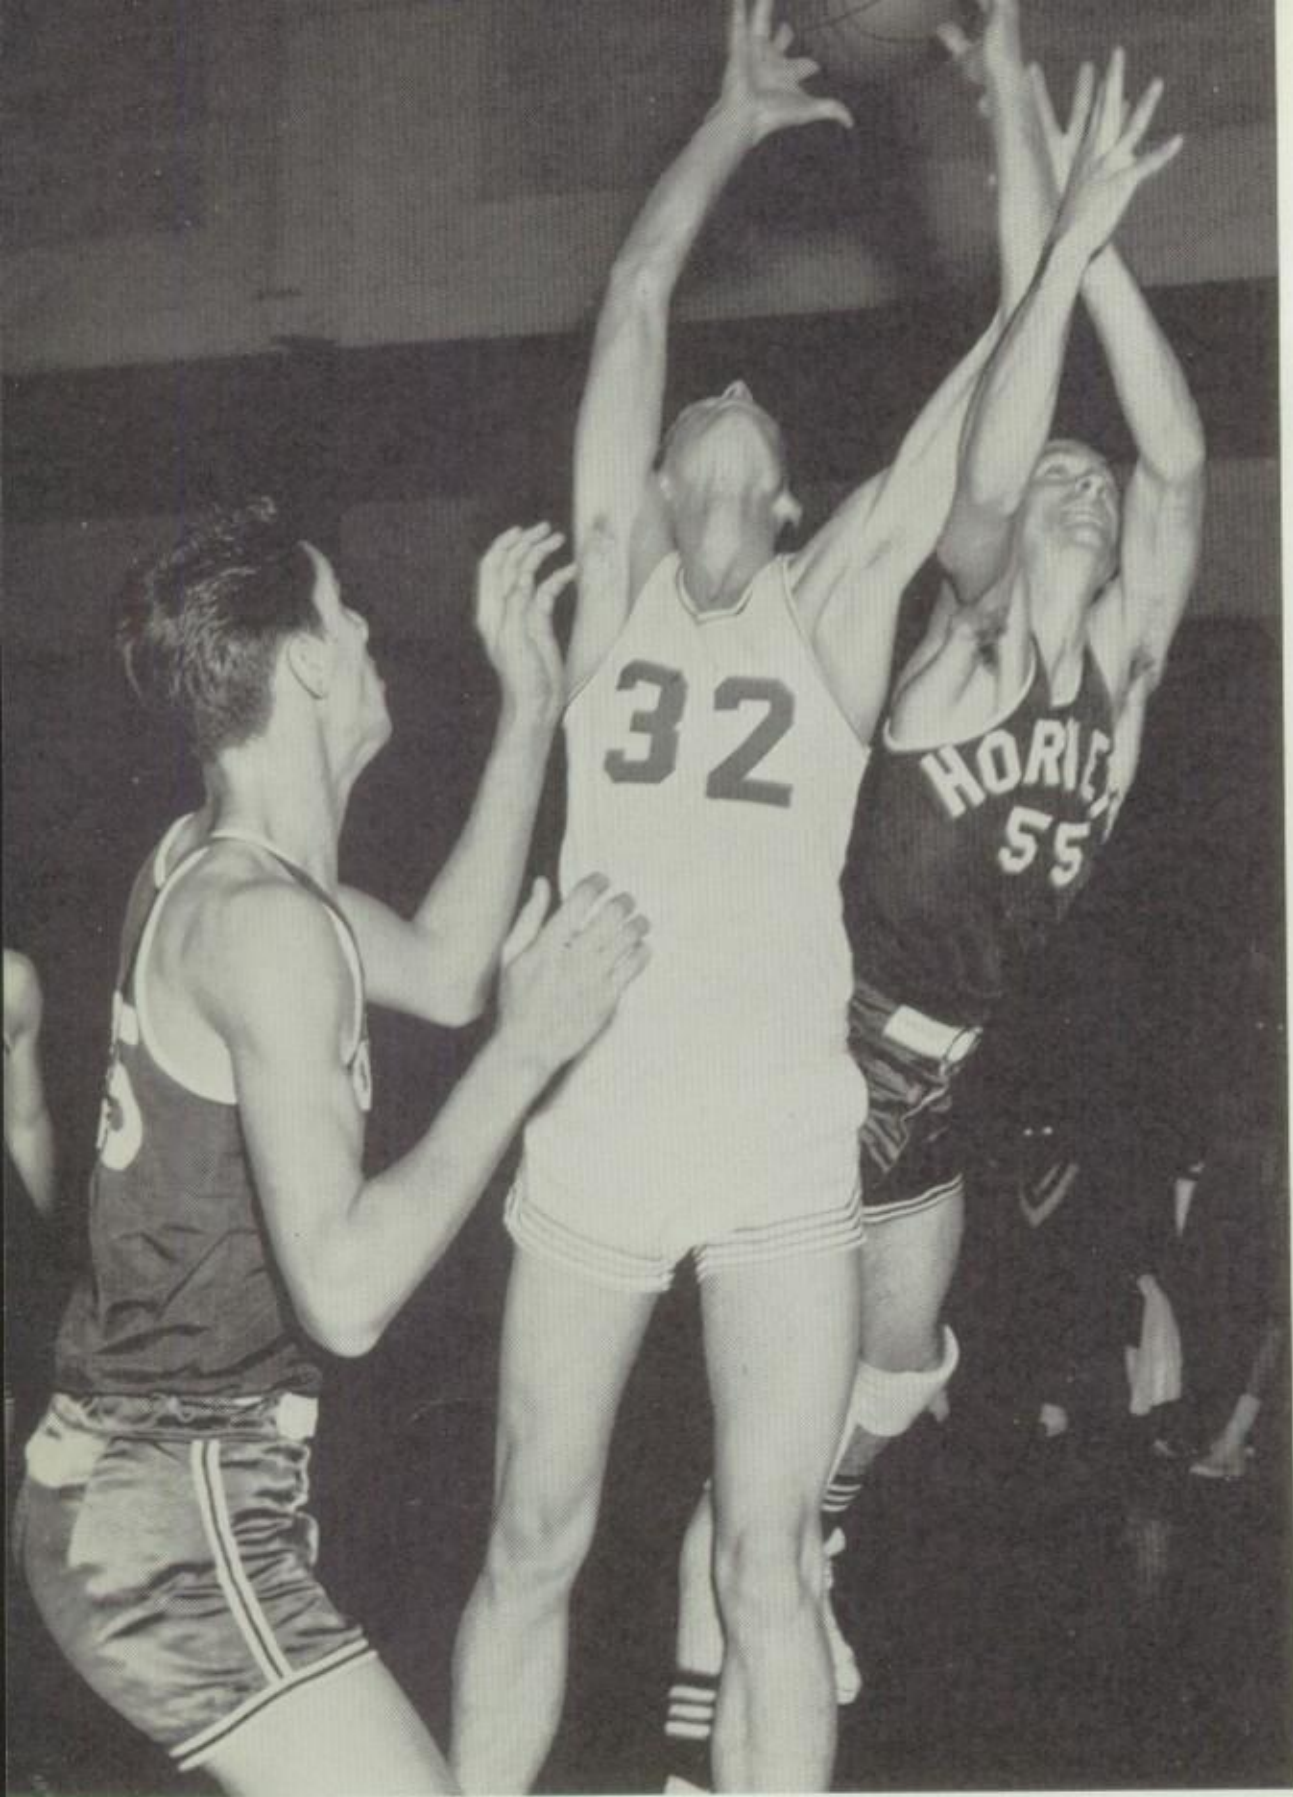

With Lee leading by 62-57 and just two minutes left on the clock, a costly foul for charging against Carpenter killed John Tyler's last hope. Bridges sank a couple of free throws to put the game on ice and the Rebels froze out the remaining seconds of the game as the crowd roared wildly.

Mass hysteria reigned as the final buzzer sounded and within seconds the court was covered by fans who poured out of the stands to congratulate the victorious Lee Rebels and console the disheartened John Tyler Lions.

The big win kept the Rebels in a tie for the District 8-AAAA lead, along with Lufkin, which stomped Marshall by 84-48 Friday night in Lufkin.

# Baby Daze

Waiting for the stage, Sherry?

Ship Ahoy!

My best friend!

What's wrong, Celia?

Mommy just cleaned me up!

I guess I'll meet you at sunset.

The way we see things . . .

I'm all dressed up to go dancing!

Jim and his pal.

Got a penny in my pocket!

What a remarkable invention!

year (or part of it, I guess) & you have made P.E.  
a lot more fun. You have about the most exu-  
berant(?) personality I have ever seen. Stay just  
as you are always and you should go a mighty long  
way (although I won't say in which direction). Really,  
though, you are a terrific girl. I want to wish  
you the best of everything always. I hope that you  
and Frank Wayne are very happy.

## *In Remembrance*

### WHERE IS CAROLE'S MONUMENT?

Carole Beaty's intense search for Truth and keen interest in Life, made her an unforgettable personality to all who knew her.

In an age of ever-increasing conformity, she made us see more clearly the dignity and beauty of the individual. Her restive spirit mirrored to perfection the restlessness of the youth of these troubled times.

Her monument lies in our hearts.

The spring activities and graduation were the true high points of this past year. These special events combine to instill forever in our hearts a fond and exciting memory of our Alma Mater.

Robert E. Lee Annual Science Fair.

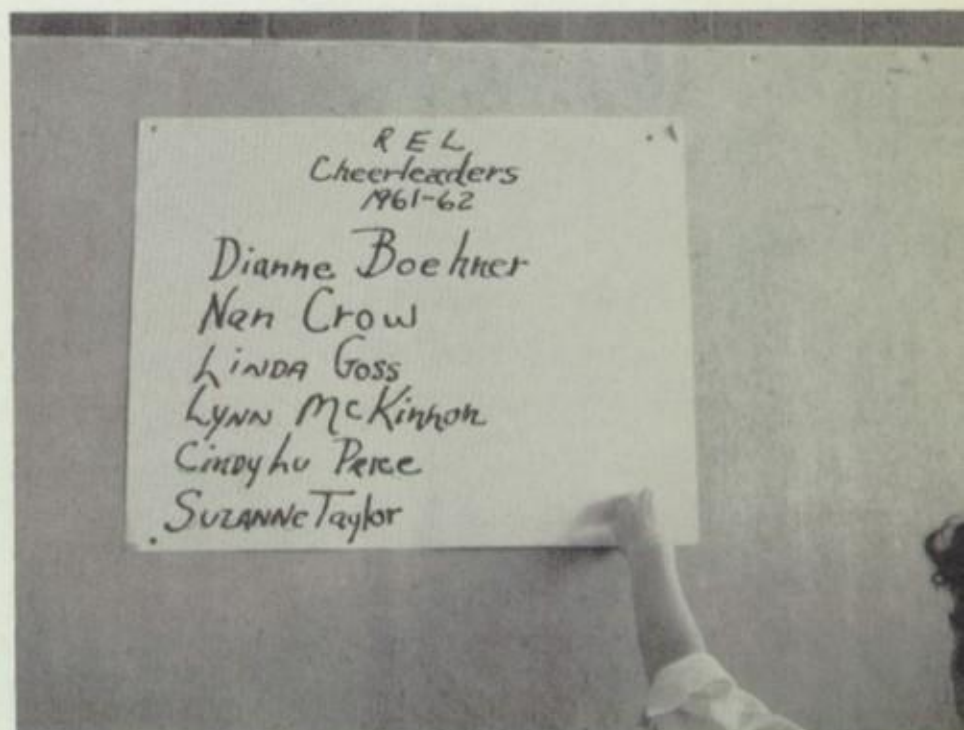

1st Place Physics: Jim Breedlove.

1st Place Chemistry: Judy Johnson.

1st Place Biology: Georgene Nolte.

The Rebelette Slumber Party—food, and headaches.

Posted results of cheerleader tryouts!

Anxious cheerleader candidates wonder and wait!

# Concert in Rhythm

The soiree, spring choral and band concerts, the talent show, and band majorette tryouts well exhibited Lee's musical talent in concert and rhythm.

A special feature at the Spring Choral Concert.

The Director, Pete Martinez, is ready for the downbeat.

The Jamaica 3.

Four lovely girls; four lovely voices.

The roll of the drum section announces try-outs.

Jan and Stu in a duet.

Go, Merry!

Band try-outs . . .

. . . and their results.

Eleven hopeful candidates.

# Track Team

The track team, under the supervision of Coach Amburg, practiced, prepared, and produced ability and skill which led Lee to many victories.

Jim Patterson breezes across the finish line "carrying the mail."

Just a little bit further! Julius Bergfeld strains as he crosses the 100 yard dash. And second . . .

Glenn Reese proves that long practice makes short work of competitors.

"It ain't the problem of gettin' up here that's so touchy, but what the heck to do now."

Julius Bergfeld and Tommy Cooper hold a steady lead as they round the corner entering the final stretch.

## Service

Our thanks to Mr. Chaney who has served as the Legend's able Bus. Mgr. for three years.

Katy Marshall and George Richardson were two of Lee's ablest journalists who, as editors of the S.A., always made it a bigger and better paper.

Carey Woods, our deserving traffic director, receives a special safety award from Mr. Irons.

The victory bridge was formed by several teachers who supported the brave girls who dared to challenge Lee's all-star basketball team.

Proud all-stars ready for the challenge.

## Intramural

Halftime entertainment — an hysterical performance was given by the lovely twirlers, Teachers Whitmill, Fisher, and Clapp.

Dr. Walter Kerr was Master of Ceremonies at the Second Annual Zenith Award presentation. Four of seven proud recipients of the dramatic awards are pictured.

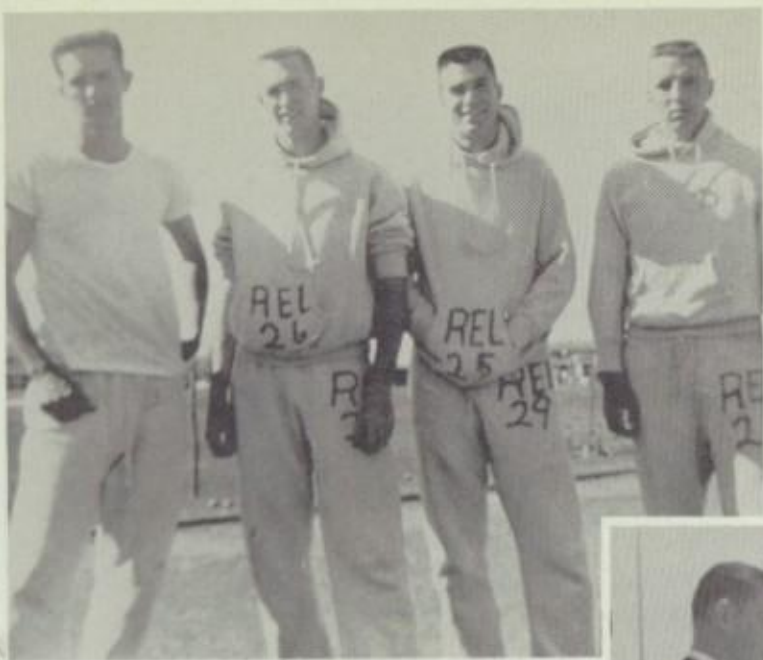

## Awards

Zenith Awards were given to: Best Drama Student, Bill Short; Best Speech Student, Doug Warner; Best Character Role, Charles Shaver; Best Supporting Actor, Jeff Johnson; Best Supporting Actress, Meke ter Haar; Best Actor, Robert Herschbach; Best Actress, Nancy Conley; Best Crew Member, Gayle Branch.

## Sports Events

Four Rebel heroes; Tommy Cooper, Charles Bridges, Jim Patterson, and Julius Bergfeld.

During "T" Association week, Mike Clapp adds Rodney Wood's signature to his required list.

Two fast, fast runners and a photo-finish!

## Special Shows

Proud painters pose by their pretty portraits and pictures on display at the Spring Art Show at Lee.

Another picture is added to Lee's art gallery.

Future Farmers of America proved their skill in agriculture in their fine exhibition of broilers at the Second Annual Broiler Show.

New Rebelette Officers begin practice early.

## Girls Only

This is a typical L.G.O. meeting. Also a typical group of girls always ready with a camera-smile.

# *The Devil and Daniel Webster*

The devil himself playing the fiddle for Daniel Webster (Bill Brown), Jabez Stone (David Datz), and Mary Stone (Allison Browne).

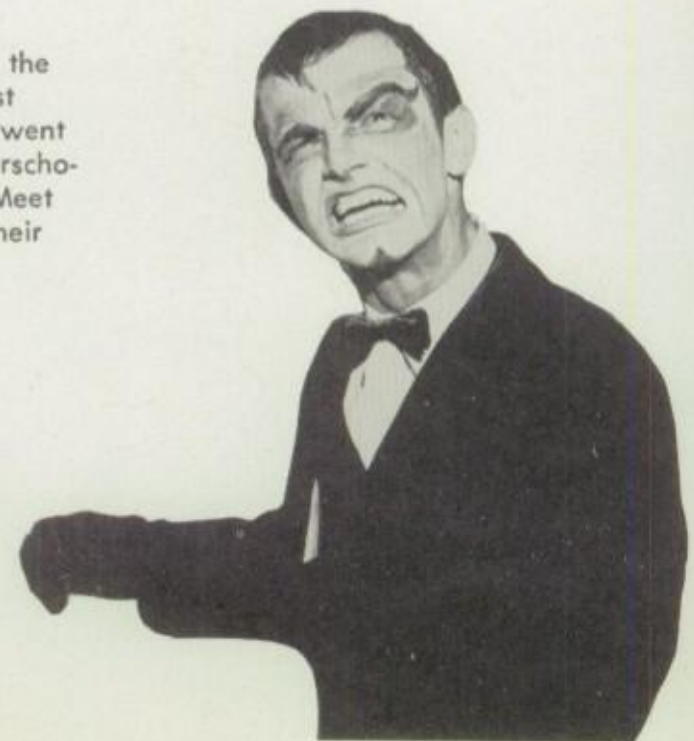

Far left: Blackbeard Teach, better known as Andy Topperman.

Right: The jury of evil justice was comprised of Robert Herschbach, Tim Warren, Dickie Kidd, Bill Short, Bobby Welch, and Andy Toppermann.

This is the full cast which went to Interscholastic Meet with their play.

Charles Shaver, all-star cast winner.

# Senior Play

## "The Night of January 16"

We are proud of our successful production of the Senior Play, the theme of which proved that regardless how great the challenge, it can be met through efforts and patience. Outstanding performances were given by: Bill Short, Robert Herschbach, Nancy Conley, Mark Leifer, Betty Ferguson and 19 other cast members.

In the final moments of preparation, actors become characters besides themselves.

A familiar pre-performance scene.

Mrs. Frank Jackson, director, gives some last minute instructions.

An objection is made by Attorney Stevens when Nancy Faulkner and Whitfield are admitted to the courtroom.

"That, Mr. Whitfield, is exactly what I was trying to prove!"

Onstage, offstage, oh, what characters!

What's this??

"Mr. Flint, I've got it all figured out," says Harry.

Just another skirmish . . .

Rebel victory!!!!

Marshall, Grant, and the jug in a skit.

What next, Toby?

## Senior Assembly

Lunch sacks—name, date, contents, etc.

"'53,' that's my boy!" said the lady in purple.

Jeff Johnson,  
alias Robert  
E. Lee

"I still say the South will rise again!"

# "Senior Night" and the Senior Barbecue

"I won one!"  
(of the free records.)

The Emanons gave a terrific performance during the variety show.

What a blast!!!—all night long on the downtown square.

The Seniors owed a rare night and much fun to all the townspeople and parents who gave their time and effort so that the seniors might have a night to call their own. After dancing on the square, the talent show, and a free movie, they were treated to a free breakfast.

A minute's pause for the cameraman.

"Your number might be next, boys."

Barbecue line forms to the right.

Eat up, fellows!!

# Awards Assembly

Mrs. Phil Dibert presents Dian Teigler with the honorary Daughters of the American Revolution Award.

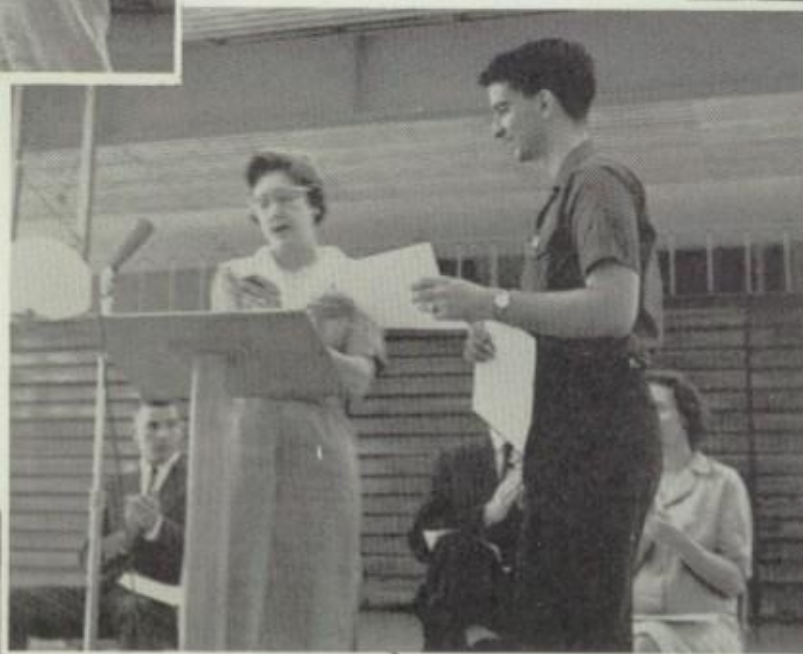

Jim Breedlove proudly receives from Mr. Gerald Smith the Bausch and Lomb Honorary Science Award and an award for placing first in the Lee Science Fair.

Mrs. Bundy presents National Merit Scholarship Finalists Awards to Richard Chesser, Jeff Johnson, and Jim Breedlove.

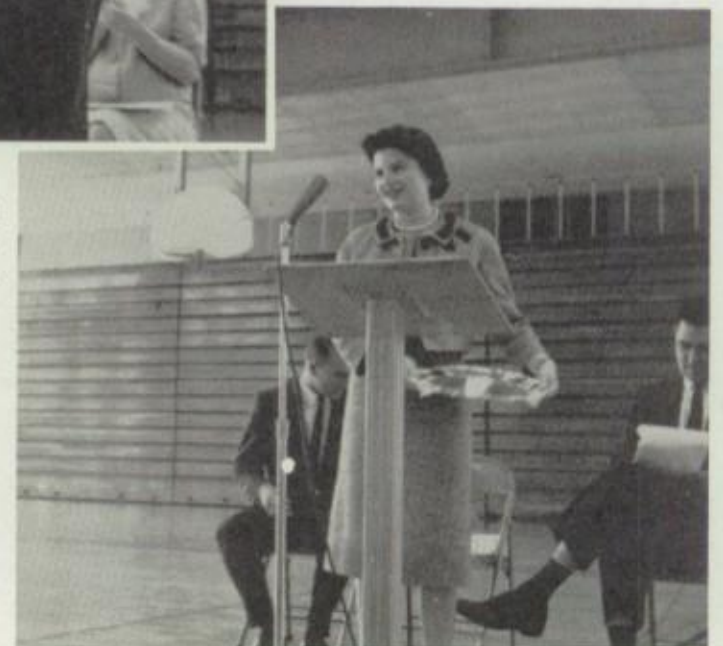

For contributing most to Rebel spirit, Byron Baldwin is given a special award by Mr. Bob Wyche, quite an advocate of Rebel spirit himself.

Richard Chesser receives an award from Mrs. Williams for having the best National Mathematics Contest score at Lee.

Anne Botsford receiving the good citizenship Rotary Award.

As a token of appreciation, the Student Council presented its dedicated sponsor, Mrs. Frances Purinton, with a silver serving tray.

The people listed herein have attained goals of excellence in their high school career, not only in scholarship, but also in character, service, and leadership.

The tribute of these students to the heightening of Lee's standards has been great. Each of them deserve much praise and admiration.

# Graduation —

the vantage point from which we survey the best of our green years. We entered Robert E. Lee High School as fledgling sophomores, inspired by the strength, vigor, and freshness of youth to create traditions and standards, to grow mentally and spiritually.

As these green years are ended, we leave our Alma Mater as the first full-fledged Rebels, having experienced three of life's basic necessities—guidance, knowledge, companionship. The value of these lies in our future.

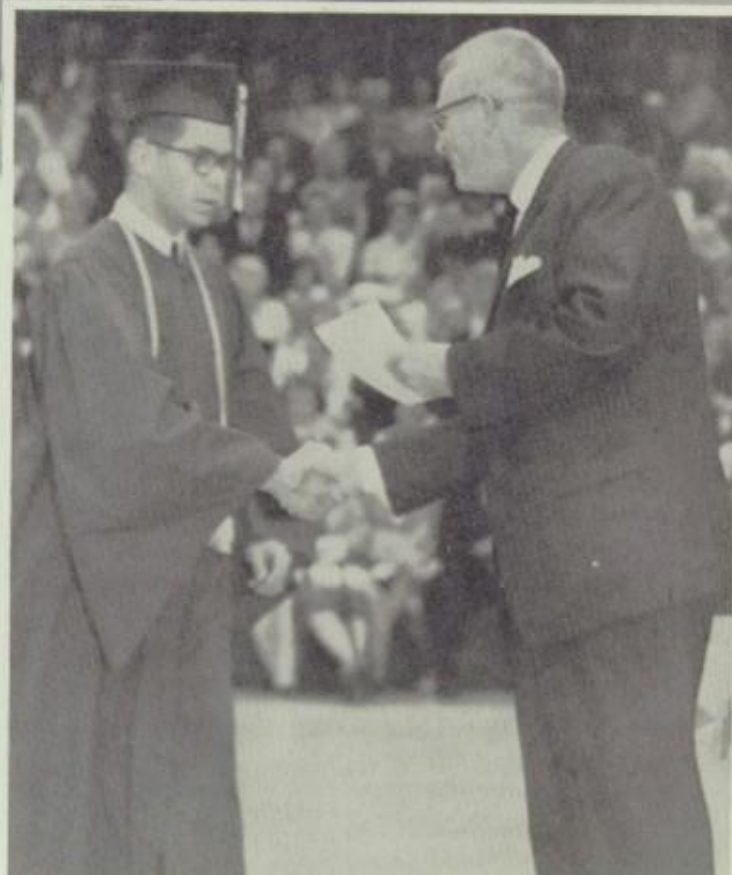

The first great step in the ladder of knowledge and life we have taken and now, as we depart, a second great step awaits us. To you future seniors of Robert E. Lee High School we give the pattern we have set knowing you may alter it to suit your needs and purposes. The next step we cleave to you . . .
